rejoining his station on the afternoon of the day on which his leave expired, and not resuming charge of his duties till the forenoon of the day following, has not exceeded his leave by one day, and thereby forfeited his salary for that day under the rules.

Modifies previous orders on the subject, and rules that, when an Officer's leave or time for joining an appointment to which no substitute or Acting Officer has been appointed expires on a holiday, or on any day which falls within a recess or a holiday of more than one day's duration, and he takes charge of his duties on the forenoon of the first working day following such recess or holiday, he shall be treated in regard to his allowances as if he had taken charge on the day on which his leave expired 38

Under leave rules of 10th November 1868, a Military Officer may, on producing a medical certificate, take his first furlough before the completion of eight years' actual service in India without forfeiting his appointment or his claim to the allowances prescribed in Rule V. Rule XIV does not apply to such cases 114

No. 489.—Refers to Financial Resolution No. 3053, dated 14th October 1868, and Office Memorandum from Military Department, No. 748, dated 17th December 1868; cancels Resolution No. 3053, dated 14th October 1868, and to declare that, in the case of Military Officers in Civil employ on consolidated salaries, the acting allowances which have been drawn by such Officers shall not be held to be extra or special allowances, but shall be taken into account as a part of the salary on the average of which their furlough allowances are calculated under Rule V of the new Military Leave Rules 114

Page.

No. 684.—Refers to Home Department No. 46, dated 7th January 1869, forwarding certain documents regarding the eligibility of Mr. D. G. Barkley, of the Bengal Civil Service, for two years' furlough to Europe.

Epitome of Mr. Barkley's services.—The Accountant General's, Punjab, report is manifestly incorrect. Mr. Barkley by his actual service has indeed gained two years' furlough, but against this must be set off the amount of sick leave he has already had, namely, 15 months, thus leaving only 9 months to his credit.

2. Rule XXIX has no bearing on the point at issue. That rule merely declares the aggregate amount of leave remaining to be taken during an Officer's entire service. It in no way alters the rules in Chapter I for taking such leave ... 138

No. 735.—Draws attention to the established Rule of the Administration that, when an Officer carries on the duties of more than one office, his entire salary, including acting allowances, must in no case exceed the salary of the most highly paid of the offices which he fills. The object of this rule is obvious; the Government does not desire to encourage the appointment of Officers to fulfil the duties of more than one office.

Instances have, however, occurred which lead to the supposition that the rule has either been forgotten or is supposed to have been affected by the recent re-organization of acting allowances. His Excellency in Council is pleased to declare that the rule is in full force, and that in future no departure from it will be permitted 138

No. 632.—Letter to Accountant General, North-Western Provinces, that retrospective effect, dating from the 1st of July 1868, may be given to Financial Resolution No. 2808, dated 13th October 1868 (here republished), prescribing a minimun acting allowance of Rs. 200 per mensem for Uncovenanted Servants without substantive appointment officiating as Assistant District Superintendents of Police 162

No. 765.—Letter to the Secretary to the Government of the Punjab.—

That the rules of the 16th June 1868 for the grant of acting allowances to Covenanted Civil Servants were not intended to reduce the allowances which any Officer was drawing at the time of their promulgation ... 162

No. 768.—Letter to the Accountant General, Bombay.—

You are right in supposing that Section XXXII of the Rules of the 16th June 1868 for the grant of leave of absence to Covenanted Civil Servants does not apply to the cases of Officers who were absent at the time of the promulgation of those rules on special leave on private affairs 162

No 798.—Letter to the Accountant General, North-Western Provinces, conveying replies regarding the various sections of the new Military Leave Rules 162

No. 832.—Letter from the Officiating Junior Secretary to the Government of Bengal, No. 223, dated 19th January 1868, submitting for decision questions arising under Sections XXX and XXXII of the Rules of the 16th June 1868 for the grant of leave of absence to Covenanted Civil Servants ... 163

No. 895.—Letter to the Accountant General, North-Western Provinces, that Covenanted Civil Servants when retiring from the service may be allowed the subsidiary leave which is admissible to them under Section XI of the Rules of the 16th June 1868 when they proceed on furlough, provided the leave can be granted without detriment to the public service 164

No 908.—Has reference to the letters shown on the margin.

No. 3805, dated 29th December 1868, to Officiating Accountant General, Punjab.
No. 56, dated 19th January 1869, to Accountant General, Madras.

Letter No. 3805, dated 29th December 1868, conveys a wrong impression.

The Government did not mean to authorize privilege leave to be added to and combined with the two months' examination leave, but merely to rule that this latter leave should not interrupt the reckoning for privilege leave, so that if entitled, an Officer might obtain privilege leave immediately on the expiration of the examination leave. It will in all cases be necessary for an Officer to rejoin his post after the expiration of the two months' examination leave, and no leave must be taken simply in continuation of such leave 218

No. 965.—In No. 534, dated 16th June 1868, publishing revised rules for the grant of an acting allowance to Covenanted Civil Servants, the first rule states that the minimum acting allowance must be two-thirds of the difference between the salary of the Acting Officer's substantive appointment and the salary of the appointment in which he is officiating. In applying the rule to such cases, the salary of the appointment in which the Officer concerned is officiating shall be understood to mean the minimum salary, and the salary of his substantive

appointment shall be understood to mean his substantive salary at the time 218

No. 1073.—That the rule laid down in Financial Order No. 3429, dated 8th December 1868, "when an officer holding an acting appointment is transferred to another appointment of not inferior emolument, he shall continue to draw his acting allowances during the time spent in joining the new appointment," is applicable to Military Officers in Civil employ 265

No. 101.—Observations relating to privilege leave—

1*st*.—That which has always been maintained by the Secretary of State and the Government of India.

2ndly.—That which has gained ground among Officers of the service.

On the first theory has been founded the rule which has always been insisted upon, that at the conclusion of privilege leave an Officer must rejoin his appointment.

On the second every attempt has been made to evade the rule. Privilege leave has been unhesitatingly granted to Officers, although it was known that at the conclusion of that leave they did not intend to do any more work for some time, but were about to proceed on leave of another kind. The formality of rejoining the appointment has been observed in letter, but the spirit of the rule has been broken by the nominal transfer of the Officer to a similar post in or near a Presidency Town, whence he could embark on longer leave.

2. An Officer when applying for privilege leave shall declare that he has no present intention of taking another leave within a period of six months after the expiry of his privilege leave, provided, however, that if any Officer to whom privilege leave is due be allowed subsidiary or preparatory leave, he shall be permitted to draw the allowances admissible during privilege leave for the period of his subsidiary or preparatory leave, or for any less period for which privilege leave may be due to him.

3. Rule applicable to all Civil Officers as well as Military Officers in Civil employ.

4. With regard to the particular case of Mr. Gordon, that as Mr. Gordon has already been allowed privilege leave unconditionally, he will not be required to join his appointment before proceeding on furlough 917

2. That the same rules shall be applied to the cases of Government Servants discharged with pension on reduction of establishment, who may be subsequently re-employed on permanent establishments.

3. Special orders of Government are not necessary for the admission of claims under these rules ... 918

2. The old rules for the grant of acting allowances to Uncovenanted Servants having been abolished, the acting allowance of the substitute of an Uncovenanted Servant on a salary of even less than Rs. 100 per mensem should always be regulated, if practicable, by Financial Resolution No. 122 of 6th January 1869.

3. The old rules did not invariably allow the substitute of an Uncovenanted Servant to draw half his substantive salary and half the salary of the absentee ... 939

For the last sentence of Section XXVI the following shall be substituted:—

All periods spent on leave of any description shall be reckoned as service qualifying for pension, and periods spent on leave in India prior to the 25th August 1854 shall neither be reckoned as furlough nor as actual service qualifying for furlough 940

Despatch from Her Majesty's Secretary of State for India, No. 169, dated 29th April 1869. Mr. S. S. Hogg, a Member of the Covenanted Civil Service, and Chairman of the Justices of the Peace for the Town of Calcutta.

The Justices being restrained from giving any absentee allowance to the Chairman which might cause a greater expenditure from the Municipal Fund than would have been incurred had no leave been granted.

Rules, that so far as the Government is concerned, Mr. Hogg and all Officers similarly situated should be allowed leave of absence on precisely the terms that would apply to them if they were Government servants; Municipal Corporations concerned in like cases should not be required to provide, on the whole, any allowances in excess of those which they pay when the Officer is present at his post; but that they should be invited to grant to the Officer whatever sum may be saved by the employment of a substitute on lower allowances than those received by the regular incumbent.

When this is done, Government should supplement the absentee allowance to bring it up to the amount to which, by the Rules of the Government service, the Officer would be entitled were he in the service of Government.

This decision having been confirmed by the Secretary of State for India, the Rule will be generally observed 76

Any application to the Brigadier Commanding for leave should be endorsed with the approval of his Ecclesiastical superiors.

No. 156 767 of 1867.—Refers to Military Department letter No. 23, dated 19th January 1869, regarding the issue of pay of their departmental rank to Non-Commissioned Officers borne on the strength of Line Corps, though absent therefrom on local departmental service for the period intervening between the date of their leaving India and their discharge.

2. Concurs in the opinion expressed in paragraph 2 of letter under acknowledgment.

No. 179 868 of 1869.—Reply to Military Department Letter No. 474 of 14th December 1868.

An Officer after completing seven years' service in India, is entitled, under Clause 10 of the Royal Engineers Corps Order No. 462 of 1st July 1862, to a tour of home duty; and should the exigencies of the service permit, the Commander-in-Chief may allow him to return with a view of reverting to imperial duties.

2. An Officer so returning to England is not bound to return to India, but he may do so as a Volunteer; and that, after a tour of home duty, he is liable, like any other Officer of the Corps, to be ordered to India for a further period of seven years.

3. The fact of an Officer who has volunteered for service in India not applying to be relieved from duty after a service of seven years or more in that country, does not bind him to permanent service there, but that he may, at any time after seven years' service, make an application to be allowed to revert to imperial duties ... 232
